LONGA

PRODUCER

Adega Pedralonga is a family estate in Val do Salnes, Galicia, farmed by the Alfonso family across a single plot above the Umia valley. The winery works biodynamically to the lunar cycle, without pesticides or mineral fertilisers, using native yeast and no chemical correction, and bottles unfiltered.

VINEYARDS

A rare Rias Baixas red from the estate's granite soils, blending the Atlantic red varieties Mencia, Caino Tinto and Espadeiro.

VINIFICATION

Hand harvested into small crates, fermented in stainless steel with malolactic fermentation and rested on the lees for 9 to 12 months.

TASTING NOTES

Translucent red with a brick red rim. The nose is floral, with fresh fruit and a hint of smoke on the finish. The palate is fresh and fruity, with a pleasant aftertaste. Serve lightly chilled.
